# Spiritual Ministry Team Letter

Can you imagine living in today's times and not knowing Jesus Christ as your Lord and Savior? I know I can't. Many go to church Sunday after Sunday and are never preached to about the book of Revelation, end times or what it means to be born again and have that personal relationship Jesus Christ. What a difference it makes when you know what the future holds for believers. We know that God defeats Satan, and we get to spend eternity with God in the most beautiful place most can't even imagine. Anxiety, worry, discouragement, despair and fear, weighs on the shoulders of many that don't have faith in Jesus Christ. People are lonely and scared and don't understanding what is happening in the world.

If we have faith in Jesus, we don't need to be uncertain or worry about what the future holds because we know exactly what the outcome is going to be and that is what gets us through these times of uncertainty.

## John 10:10

The thief comes only in order to steal, kill and destroy. I have come that they may have life and have it to the full.

The thief takes life, but Jesus gives life.

## Proverbs 12:25

Anxiety weighs down the heart, but a kind word cheers it up.

## Philippians 4:6

Do not be anxious in anything but in every situation by prayer and petition, with thanksgiving, present your request to God.

Matthew gives us seven reasons not to worry!

The same God who created life in you can be trusted with the details for your life.

Worrying about the future can make us so focused on work that we fail to attend to what is most important.

Worrying is more harmful than helpful.

God does not ignore those who depend on him.

Worrying shows a lack of faith in and understanding of God.

Worrying keeps us from what God wants us to pursue.

Living one day at a time keeps us from being consumed with worry.

**Everyone has worries, but Paul's advice is to turn our worries into prayers. When you start to worry, stop and pray!**

Many blessings to you all,

Melissa

~ Psalms 42:7-8 ~

Deep calls to deep at the roar of your waterfalls; all your breakers and your waves have gone over me.

By day the LORD commands his steadfast love, and at night his song is with me, a prayer to the God of my life.

I stand, as the water raged  
I ponder, as the roar sounded  
I am in awe, as the Lord created  
I am undone, as God renewed

Oh – the refreshment of the Spirit of God as His grace flows over with a rushing that drives on into the deep parts of my soul. For those who have never been to Niagara Falls – this is a picture from this year as I stood right beside this wonder of the world God has made. The water was clear as crystal, fast as light and reflecting the blue sky above... as the mist cooled the hot air and heat of the day...

Niagara Falls June 2022

it reminded me of how Jesus calls us out of the furious speeding and rush of life and pause in the refreshing river of His Spirit. As Lake Erie empties itself neverendingly through Niagara River over the falls into Lake Ontario. It reminds me of Christ emptying Himself to come down here to save us. The Maid of the Mist (no longer steamboats, but pontoons) was once taken down the river through deadly rapids to be delivered. Just as Christ takes us through the wilderness of this life to deliver us to Himself. The captain of the Maid of the Mist in 1960's saw a young boy swimming for his life in the whirlpool below the falls after he went over them, surviving without with harm... the brave man headed straight in to rescue this young man from death. Christ is just like that captain – going right into death's peril and bring men to salvation. And like the boy – Jesus came through death itself and coming unto life again. He went over the fall(s) for mankind to be restored to life and reconciled to God.

Oh – how standing before the roar of the waterfalls, the breakers of the rapids, and the waves made by the falls in the pools below... No we are far from being dashed on the rocks; we are given a river from the throne of God where the Rock resides and let's flow His power, His Spirit, His living water...

May the might and power of the River that flows from the Rock roar over you like a waterfall, and the breakers bow you down in His presence, and the waves crash you directly into the arms of Christ the Captain and make you part of the crew of the Maid of the Mist of the Master that is the church!!

May Rushing Waters Flow Through  
Into Waterfalls of God's Grace Over You!  
Remember God Loves YOU and So Do I,
