**Vs 10** How do you stay ready or prepared for Jesus' return? (Matt 25:1-13) Do you have any apprehensions about the coming day of the LORD? (Luke 21:26 / 1 Pet 5:9-11) What does the image of a thief in the night make you think of? Are there any parts of your life in a deep sleep towards Christ? (Rev 3:1-3) If today was the day Jesus was coming back...what would need tending? (1 Cor 11:28-32)

**Vs 11** What kind of people are we to be if we know everything around us will be gone? (Col 3:5-6) Should what we focus on change? (Col 3:2 / Phil 4:8) Does the thought of everything being destroyed shake you? (Heb 12:26-29)

**Vs 12** What part of the Day of God do you look forward to? How do we actually speed up the coming of the LORD? (Matt 24:14 / Luke 21:29-36) What prevents us from speeding up the Lord's coming?

**Vv 13-14** “according to His promise” (KJV) “in keeping with His promise” (NIV)

We'll be looking the other way, ready for the promised new heavens and the promised new earth, all landscaped with righteousness. (The MSG)

greek = distributed with intensity an announcement and pledge with divine assurance

Are you actually looking forward to the fulfillment of the promise? What part of it are you looking forward to? (Lam 3:24) How does the promise we have been given keep your hope alive? (Heb 6:17-19) How much of our peace with God comes from our diligence and effort? (Eph 2:14-18) How do we make the effort to be at peace with God every day? (Heb 12:14-16) How does holiness and peace have to do with people seeing the LORD when it comes to us? What are the spots that could bring us blame? (Rev 2:4, 2:14-15, 2:20, 3:2, 3:15-17) Where is the line to be drawn between tolerance and long-suffering?

**Vs 15** “bear in mind” –Why is this significant that the word bear is used? (Rom 2:1, Rom 14:4, Mat 7:2 Mar 4:24, Luk 6:38) How does God's patience (long suffering-KJV) grate against our ideas of justice and judgment? What are some of the things people do that test your patience? Is it hard for you to accept other people being forgiven by Jesus sometimes because of your view of justice?

**Vs 16** “writes the same way in all his letters” Peter acknowledges and agrees here with Paul... How might Scripture and even the church be different, if Peter had held a personal grudge against Paul and refused to acknowledge his inspired writing? (Gal 2) How do personal grudges harm the church today? “distort” – greek = torture, wrench, pervert... What does this vivid word picture bring to mind when you think of people distorting scripture to force their thinking into a passage? What is one of the bible's hardest teachings for you to accept and understand?

**Vs 17** forewarned greek = proginoōskō = know beforehand, foresee... How can we give a correct prognosis about scripture and teachings? Do you know if your position is secure in Christ? What areas/attitudes of your life may jeopardize it? What forewarnings have you had in your life that may need put into perspective or remembered? What are some of the ways you have developed spiritually to stay on your guard?

**Vs 18** “grow” –greek = proginoōskō = enlarge, grow up, give the increase... How does growth happen? (1 Cor 3) Is it possible that we do things unwittingly for own glory? What do you think is your part in the growth of God's people? How do practically and daily bring praise and glory to God? What is your favorite part about worshiping the LORD? What is your favorite thing about Jesus and knowing him?
