Pastor's Pen

I am sure you have heard of the recent happenings at Asbury University in Kentucky. Over 50,000 visitors with more to come have claimed a revival has broken out. Now – I would be happier than a pig in the mud. I pray it is true revival. Nevertheless, I have a bit of skepticism about. With the “He Get’s Me” movement starting up, the nuanced buzzword of calling this an outpouring... well there have been several in recent years like the Bethel movement, Hillsong, the Vineyard, and many like them – all part of the New Apostolic Reformation that have embraced the Kundalini false god awakening.

I voice only a Scriptural and prayerful concern “ Beloved, do not believe every spirit, but test the spirits to see whether they are from God, because many false prophets have gone out into the world.” 1 John 4:1

And also like Paul has said as recorded in 1 Thessalonians 5:21 “but test everything; hold fast what is good.”

Like I said – I am sure some are sincere and others are looking for an experience... my fear is it is leading to the worship experience and on the mountain top without taking any roots. Biblical revival starts with repentance and sorrow for sin against God. If the Holy Spirit is in the revival - conviction and truth, judgment and righteousness will lead more than emotion and experience, ecstasy and peace. Oh, sure enough peace will come after conviction and repentance and trusting in Christ.... However, if peace and love manifest without the afore mentioned, is it a work of the Holy Spirit?

John 16:7-15 Nevertheless, I tell you the truth: it is to your advantage that I go away, for if I do not go away, the Helper will not come to you. But if I go, I will send him to you. And when he comes, he will convict the world concerning sin and righteousness and judgment: concerning sin, because they do not believe in me; concerning righteousness, because I go to the Father, and you will see me no longer; concerning judgment, because the ruler of this world is judged. "I still have many things to say to you, but you cannot bear them now. When the Spirit of truth comes, he will guide you into all the truth, for he will not speak on his own authority, but whatever he hears he will speak, and he will declare to you the things that are to come. He will glorify me, for he will take what is mine and declare it to you. All that the Father has is mine; therefore I said that he will take what is mine and declare it to you.

Let me close with the following devotional from Rylisms that caught my attention while I was pondering the Asbury Revival of 2023:

The Church of Yippee Yahoo

"Fake Messiahs and lying preachers are going to pop up everywhere." (Matthew 24:24, The Message)

There is much talk these days about mighty revivals that are happening here and there, now and then — yet nothing seems to be changing really. In an objective analysis, these heated moments are limited in scope, short-lived in notoriety, and superficial in influence. It's the difference between a geyser and a river. Geysers are fun and spectacular; but rivers sustain life.

These outpourings come suddenly, and fade quietly away after enough people have handled the wares. The roll call continues to grow — Kansas City, Toronto, Pensacola, Brownsville, and Lakeland (and I add Asbury '23) . What city will the circus visit next? Where next will the Church of Yippee Yahoo be holding a meeting?

Is this revival? Really?

It looks more like a super-sale where scores line up and wait for the doors to open, and then rush the table to get the deal of a life-time, and then make sure that everybody else knows every detail of how they managed to do so. After a short sensational burst, the sales begins to wane. Cont. on next page...

Latecomers find the sales tables in a mess, with remnants scattered here and there; odd items of unmatched clothes, and few ties that won't go with any suit. Soon the whole affair is discarded, as the shoppers scour the ads for the next Big Sale.

Is this the best we can do? Here and there; now and then? What we need is a true and lasting move of God's Spirit across the land, unsensational and without fanfare; one that turns men's hearts in repentance and faith, and unleashes a work of grace that repairs the breaches and heals the broken.

And when that happens we really will say, "Yippee Yahoo!"

Know that I truly am praying for revival before the rapture and Jesus' arrival and I am also truly praying we will be able to discern the difference between a felt moment flash of spirituality verses a long term lasting life change that comes from the Holy Spirit.

The word "Pastor" is on the top line, "Dan" is on the second line, and "Dot" is on the third line, with a long horizontal flourish extending from the end of "Dot".

Spiritual Ministry Team Letter

By Todd Cory

Psalm 143:8 Let the morning bring me word of your unfailing love, for I have put my trust in you. Show me the way I should go, for to you I entrust my life.

Psalm 118:8 It is better to take refuge in the LORD than to trust in humans.

So much going on in the world [today](#), I just want to take a look at the 2 Bible verses above. Looking back at the last 36 months and all the things that we have all been through, all promised with God's word in prophecy. The rising of the 4 beast in Daniel, brought on by the pandemic. Many took the medical procedure that did not keep you from getting the pandemic, did not keep you from spreading the pandemic and didn't last, More medical procedures, 4 or 5 now. I lost count. But most people took the procedure for earthly reasons. Examples, fear, travel, and employment. As I look back if one would have believed in the verses above and let God "show me the way I should go" the mandates ended and most of the people got their employment back, some with back pay. GOD IS GOOD Churches reopened, travel is now allowed.

Changes are coming, The World Health Organization is one of the 4 beast in Daniel and I think we are at the end of the space of a 1/2 hr rev 8:1. The Green vaccine passport is coming, and "It is better to take refuge in the LORD than to trust in humans." Keep your God given DNA not the RNA. We are a lot further along than most know, the confirmation of the peace agreement, Daniel 9:27 is in play, Israel's second priority for the new government!! The UFO agenda is also in play, to explain the loss of Christians in the rapture. We (the United States) are now covering Canada's airspace due to the DNA (United States, Mexico and Canada) agreement, We shot down the UFO in Canada. Look it up, we are all now one, explains the southern border agenda...read the fine print. I ask my fellow Christians, pray intelligently, that "these things must happen" earthquakes (Turkey death toll 40,642) rumors of war, opening of the chrislam one world religion in Dubai and New York city. It's all here and you are not going to pray away God's word in prophecy... We should feel Blessed that we are all Chosen to be here at this time to see first hand God working in the world. What 5 are you going to be?

The Parable of the Ten Virgins

25 "At that time the kingdom of heaven will be like ten virgins who took their lamps and went out to meet the bridegroom. ² Five of them were foolish and five were wise. ³ The foolish ones took their lamps but did not take any oil with them. ⁴ The wise ones, however, took oil in jars along with their lamps. ⁵ The bridegroom was a long time in coming, and they all became drowsy and fell asleep.

⁶ "At midnight the cry rang out: 'Here's the bridegroom! Come out to meet him!'

⁷ "Then all the virgins woke up and trimmed their lamps. ⁸ The foolish ones said to the wise, 'Give us some of your oil; our lamps are going out.'

⁹ "'No,' they replied, 'there may not be enough for both us and you. Instead, go to those who sell oil and buy some for yourselves.'

¹⁰ "But while they were on their way to buy the oil, the bridegroom arrived. The virgins who were ready went in with him to the wedding banquet. And the door was shut.

¹¹ "Later the others also came. 'Lord, Lord,' they said, 'open the door for us!'

¹² "But he replied, 'Truly I tell you, I don't know you.'
