Praying Against the Spiritual Evil For the Children of Our Communities

"So God created man in His own image; in the image of God He created him; male and female He created them." ([Genesis 1: 27](#))

I will not name the websites where I glean the information that I present to you here; but leave it up to you to research and talk with your children about these dates of ungodly celebrations.

Mine, is to make visible- what is now hidden.

International Pronouns Day October 15, 2025: seeks to make respecting, sharing, and educating about personal pronouns commonplace. They say; "Together, we can transform society to celebrate people's multiple, intersecting identities."

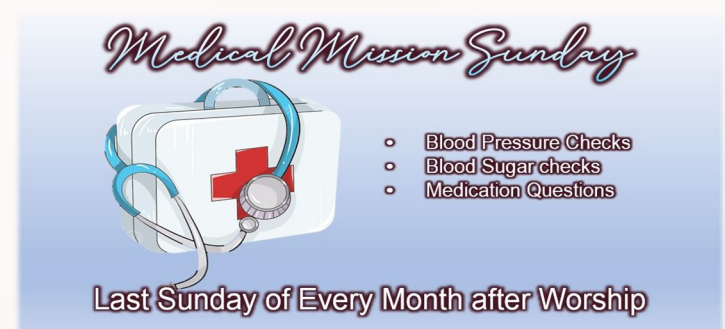

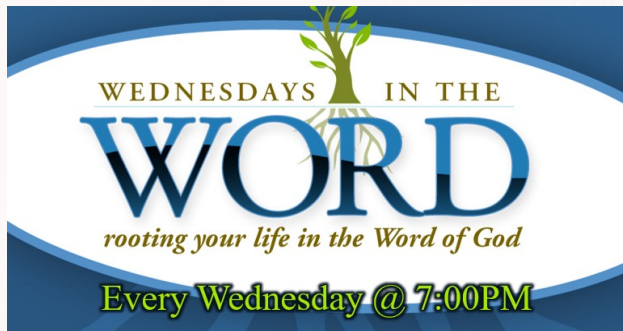

Spirit Day is an annual observance that takes place October 16, 2025. This day aims to create awareness for the bullying and harassment that the L.G.B.T.Q community faces.

The two words *sex* and *gender* used to be synonymous. But many today no longer think that's the case.

Sex is now the term that refers to the biological classification of a person as male or female, and *gender* is now defined as an identity—a personal, internal perception of oneself that is based on socially constructed roles, behaviors and customs. In other words, gender is now based on how someone feels.

Heavenly Father, confusion presents itself with this separation that man has deemed necessary, above what You deemed to be very good at its creation! Father, so great is man's hunger to create, to change, and to claim for their own what You have created and made perfect from its inception at creation's origin: that what now is-can only be proclaimed as ungodly and perverse. You had a plan for each of us before we were, and You know the path we will travel, the temptations we will entertain, and the tests that we will fail because we did not turn to You for help and guidance.

Heavenly Father, we come before You asking that You awaken those who are sleeping, heal those who are hurting, bind those who are broken, and comfort those who are filled with sorrow. Our children are captives to deception; they are being stirred to anger, and they are being separated from the wisdom of parents and grandparents. Too many are giving in to the demands of confusion and chaos. They have denied truth and accepted a lie. Death has gained a foothold, and the leviathan continues to consume the weak and the young! Lord, in these days of consumption, 'that of our young at the altar of the Baals,' we ask, Lord, that You raise up an army of godly men who will find the strength to say "enough" and fight for righteousness and for the lives of all our children. Lord, we need You, Your hand, Your strength, and Your wisdom. The victory is Yours, Lord, and may we witness its fulfillment. Amen.
