Praying Against the Spiritual Evil For the Children of Our Communities

Heavenly Father;

We have brought before you prayers for our children's education, the safety of our children within our communities, and for those who have left home to start families of their own.

Lord, we have prayed against those that seek to destroy the hope of future generations, we have prayed against those that have pursued and sought to transform what was; into what was never meant to be.

We have prayed that within these that you would take from them their platform to call for the unnatural to become natural. We have prayed that you would free the captives and lead them from their Egypt, by becoming a people that would see the error of their ways.

We have prayed that your voice would be heard above the noise and confusion of the enemy.

Today Lord, we pray for our children that are standing in the gap and that are fulfilling a call to duty to serve as warriors in a war against an enemy that hides in the shadows, and strikes like a viper spilling into the lifeblood of another; their poisonous venom.

Today Lord, with a heavy heart we bring before you our children who have stepped forward to go to the frontlines (many have given their all) and confront an enemy that has no particulars as to who or how he destroys, but that destruction is made complete.

Lord, the faith of our children rests with you; the foundation of their faith begins with each of us.

Lord, may it be that we truly begin to understand and to take seriously the enemy that we are confronting, and that we not only equip our children for the daily battles, but teach them by your word that not one battle do they enter- will they enter alone. Teach them that you have provided a way out of that battle and if they are properly dressed (we must teach them how to dress in the armor of God) the glory of God will always overcome the enemy.

In your name Jesus, we pray. Amen
