## Praying Against the Spiritual Evil For the Children of Our Communities

Heavenly Father;

How persistent mankind can be even when what is written on their hearts makes clear to them what is Godly and what is ungodly. Their arrogance empowers them to believe that what has happened in the past cannot possibly happen to them or to their ideology, and yet Father, time and time again their folly is laid bare.

We listened this past week, Lord, to the testimony of a doctor that would not answer the question; 'is it possible for a man to get pregnant?'

Is it any wonder then, Lord, why today we are watching our children sacrifice themselves to the false gods? They have learned from those teaching them that they need not learn restraint, or self-control or to obey their parents or the laws of the land where they live.

They are not being taught how to make a living, but they are being taught how to make war under a false banner of peace.

They are being treated for pretend realities because life is hard and with the hardships comes growth, and change, and no one wants to change themselves- only those who are around them or who hold to truth.

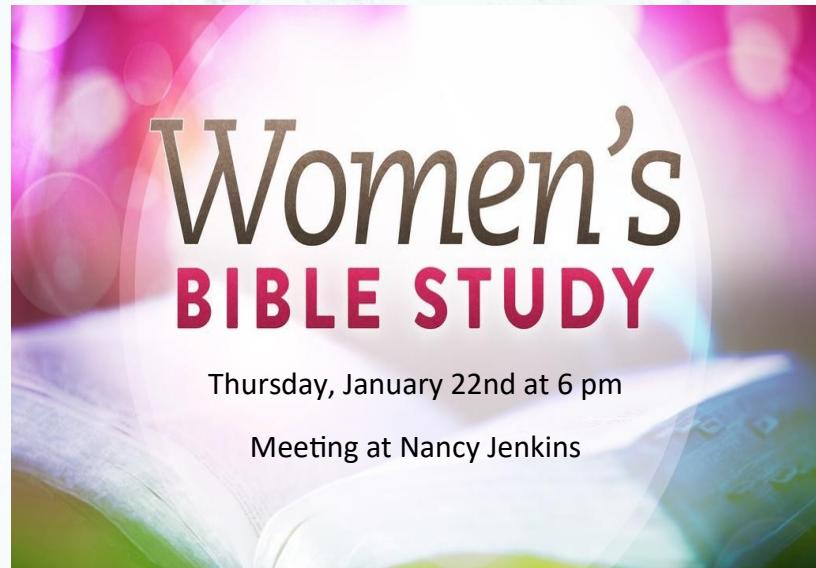

Lord, it is grievous what is being done in the schools, what is being taught in the colleges, what is being done by those who have been deceived and are now leading others into the pit of deception.

May as parents, as friends, neighbors and brothers and sisters in Christ; may we find courage not in ourselves- but in You, Lord, - to speak truth to these leaders, teachers, doctors and parents who need encouragement, and to our children; speak to them of life-their lives depend on them hearing the truth, accepting the truth and living in the truth!

In the name that is above all names; who Himself is the way, the truth and the life, we pray. It is in the name of Jesus. Amen

We all need God's  
Love, Hope, Mercy and Grace  
May we share the same with others

...forgive us our trespasses as we forgive those who trespass against us...
