Praying Against the Spiritual Evil For the Children of Our Communites

"Coming Out" Day – October 11-- This is the annual day for those with "LGBTQ" preferences to publicly declare their attractions. And school children are being urged to do this at school. May God help us!!!

Daniel 7:13-14 In my vision in the night I continued to watch, and I saw One like the Son of Man coming with the clouds of heaven. He approached the Ancient of Days and was led into His presence. And He was given dominion, glory, and kingship that the people of every nation and language should serve Him. His dominion is an everlasting dominion that will not pass away, and His kingdom is one that will never be destroyed.

Heavenly Father;

Yours is the power that sustains us.

Yours is the hope that keeps us focused.

Your truth binds us to the Kingdom of God.
Yours a kingdom that will never end, nor can it be destroyed. Evil will never enter its gates and divide what has been made perfect in Your sight.

There is no life without surrender to Your word, there is no hope for those in whom rebellion grows, and there is nothing that they will not consider when darkness fills their hearts.

It is the young and those weak from suffering- that the predators seek to bring to the altar of darkness. We know from Your word that because of sin: death comes for us all and a second death awaits those that will not seek Your face or give their lives to you.

Lord, reveal where those hide that promote perversion, and who entice the children into slavery by promising them freedom.
This lifestyle that is being spoon-fed to our youth- may it be bitter in their mouths and rejected in their hearts.

Lord, may it be the proclamation of Your word that our heart desire, may it be freedom in Christ that we seek in these days of chaos and turmoil. Evil consumes us but righteousness brings us life!

May those, Lord, who are steeped in this evil be shown the wickedness of their sinful ways, and they themselves be led out of the darkness and into the light. Great pain fills the earth, the inhabitants: rather than crying out for deliverance- cowers in fear; as the darkness claims another and another and so on.

Lord, may the church: may we find our voices and the courage to move our feet as we have been commanded to do.

In Your name, Jesus. Amen
